Training on Funds Flow Mechanism for National Programmes

7-8 Dec/ 13-14 Dec/15-16 Dec- 2011 Naypyitaw

General Objective

UNOPS conducted an orientation session and training on Funds Flows Mechanism to National Programmes on 8-9 April, 2011. GFATM approved SOPs of the FPPM within the UNOPS Financial Policies and Procedures Manual in May, 2011. UNOPS Funds Flow Unit (FFU) launched Direct Disbursement and Reimbursement schemes to National Programmes activities in June, 2011 by applying the approved SOPs.

During the first 4 months of implementation, the PR encountered several difficulties and bottlenecks of the operations that necessitated a revision. A thorough review took place in Aug-Sept and a new adjusted scheme was designed to address these challenges. Consequently refresher training is necessary to capture the changes made in the FFM scheme to allow its smooth operation providing the Programme support as best as possible.

Thus, training on the Funds Flow Mechanism will be conducted during a two day workshop to each three National Programmes separately as per the below agenda.

Specific Objectives

- 1. To share and discuss practical matters based on Q4 workplan especially for December.
- 2. To introduce the adjusted FFM scheme and conduct a Training of Trainers on FFM as per revised SOPs
- 3. To promote smooth implementation of Direct Disbursement activities by FFA
- 4. To promote smooth implementation of the modified Reimbursement scheme by FFA
- 5. To assist and enable the National Programme Managers and authorized in Reimbursement activities.
